

Planned Renovation: Sue Bierman Park & Embarcadero Plaza

Comments Requested

SF Parks and Recreation is proposing to renovate Embarcadero Plaza and Sue Bierman Park. **You have the opportunity to make your comments heard NOW.**

Please fill out the [public information survey](#) ASAP to make your voice heard and your views included in the next phase of the renovation design.

One community meeting on Mar. 6 (attended by nearly 100 of your neighbors) was held to gather public input. Two additional meetings are scheduled for this spring. With this survey, you don't have to wait to express your views on what the renovated plaza and park should contain – and what it shouldn't!

BCNA will monitor the progress of this project and offer comments on the neighborhood's behalf.
