

WE NEED YOUR INPUT – NEIGHBORHOOD SAFETY SURVEY

The Barbary Coast Neighborhood Association (BCNA) Safety Committee would like to hear from you about crime and safety issues in our neighborhood. It has been three years since our last survey. We've strengthened ties with the SFPD, community organizations, and our local representatives and service providers. Street crime has been reduced, and many quality-of-life issues have been mitigated.

The members of the BCNA Safety Committee thank you for your time in completing this survey. Your responses will help with future planning and in communicating our needs and priorities to our elected officials and City service departments.

Sincerely,

Alec Bash & Barry Shiller, Co-Chairs
BCNA Safety Committee
